Wednesday	6:30pm – 9pm	General Shooting
Sunday	2-4pm	General Shooting

New Totem Archers

Who are we?

New Totem Archers is a club built by dedicated and ambitious volunteers. We have been around for more than 30 years. Our purpose is to promote all levels of Archery to everyone. We currently have a board of directors consisting of 10 members and a general membership shooting in various disciplines. Our club is a member in good standing of the BC Wildlife Federation.

And we are always looking for others to get involved with the club!

What can we offer?

Archery is a sport that anyone can participate in. We have members from 3 years old on up to seniors! Archer is a sport that is for everyone, regardless of age or ability. It inspires self-discipline and pride in accomplishment. New Totem Archers has equipment available to introduce new archers to the sport, plus an abundance of experience to aid in developing the necessary skills. There are numerous opportunities to test these skills at competitions ranging from indoor target tournaments to outdoor 3D shoots.

Indoor Range

We are currently shooting at the Stonebridge Hotel in the Alexander Ballroom with programs running throughout the week.

Junior Program

We offer 20 yard target shooting indoors and closer distances for beginners and our junior program. During the winter we also hold an indoor 3D tournament.

Outdoor Range

Our outdoor range is open May 1 to September 30th. It is located at 9169 Jones Subdivision Rd that is the next road on the right past the North Peace Veterinary Clinic, north of Fort St. John.

The outdoor range has a 3D course consisting of 20 foam animal targets. They are laid out on a leisurely walk through the woods. Also there is a large field with targets at distances from 10 to 60 yards. Come down and get those pins sighted in! Our club hosts several tournaments during the summer with our 1st outdoor 3D tournament commencing in early June. Visit our website for dates and details.
